

INTRODUCING MOBILE PRINTING

ON THE MOBILE APP

STEP 1.

Download the App using the codes or search for ePrintIt.

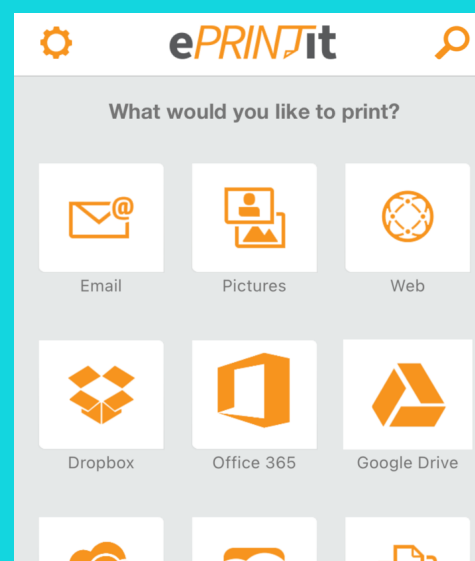

Look for this icon in the App Store

STEP 2.

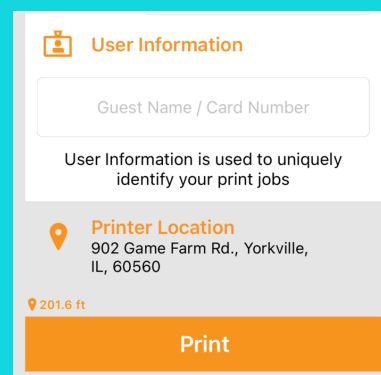

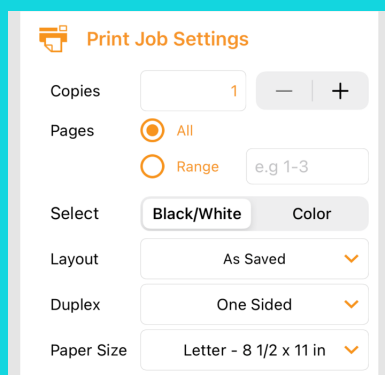

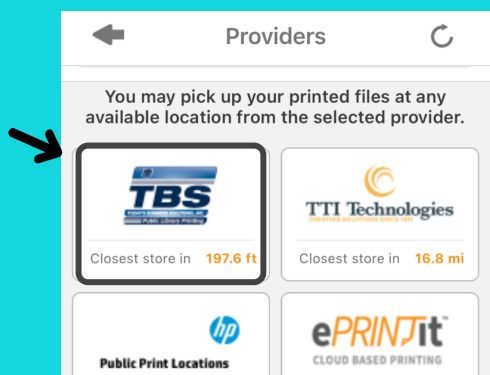

Choose what you would like to print,

There are many options available. The app may require permission to access files.

STEP 3.

Select your provider (TBS), location (Yorkville Public Library), settings, and user information.

STEP 4.

Come into the Library, and print at a Print Station.
